All School Field Trip: Our all school field trip is coming up this Friday, May 17th. Your child's permission slips should have been turned in last week. Mrs. Hayes will have a sack lunch prepared for your child and their lunch ticket will be punched that day, unless they are bringing a lunch from home. If you have ordered a non-student lunch from Mrs. Hayes, it would be most helpful if you paid at the school office ahead of time if at all possible. Adult lunches are \$3.50 and preschool children lunches are \$2.90.

Softball: It's hard to believe the softball season is already over! The students ended the season with a win to put them in 5th place at the conference tournament at RCLS on Saturday. Well played team!! Thank you Bryan Evans and Mary Rother for coaching another successful year! Now that the season is over, please turn in your softball jersey to Ms. Schroeder before the last day of school on Friday, May 24th. Great job everyone!

8th Grade Graduation is this Sunday, May 19th at the 10:15a.m. church service and all are invited! This year's graduates are *Jensen Luke Dahl* and *Layton James Luckstein*. Please join us as we celebrate these two young gentlemen completing their education here at Immanuel. There will be a short reception after the service in the church basement.

K-8 Sing at the 10:15 a.m church service this coming Sunday for the 8th grade graduation. Please make sure their permission slips get turned in to Mr. Mikkelson by this Wednesday, May 15th . Students will meet at 10:00 Sunday morning for gathering and warmup.

Partnership Hours: With the end of the school year it is the end of 4th quarter. Please remember to get your last partnership hours in to receive the discount on your balance.

Hot Lunch Invoicing: Please note this is a change from last year. Your child will receive a lunch ticket when needed, but in these last few weeks of school, please do not pay it when we send you the invoice. We will invoice you for only the number of punches your child uses at the end of the school year. Feel free to call the office if you have any questions.

All School Carnival: The End of the Year Carnival is coming soon! Mark your calendars for our favorite end of the year celebration on Wed. May 22nd, from 4:30-7 pm, rain or shine. Each year, students receive some free tickets to play the games, food is available and lots of fun and fellowship for all! There is a facebook event and flyers coming home soon to share this great event with all your friends and family. We are in need of volunteers (students and adults)! Please sign up to help here: <https://signup.com/go/SnnVeDw> If you need a shift changed or shortened to accommodate your schedule, please reach out to me by email or text waller.chantel@gmail.com or 507-951-4313. ~Chantel

Notes from Mrs. M & the Library!

What we are learning 5/1/24!

- PreK 4:** I read the story by Tish Rabe, My Oh, My Butterfly. This story explores the life cycle of the butterfly. We introduced this book as an information book. A book that gives us things to learn/
- PreK 3:** I read the book Spish Splash this book is a book about summer fun.
- Kindergarten:** We are learning about medals, medals for books. They will learn a little about the Caldecott medal which a book receives for the pictures in the book. We watched a power point on the Caldecott medal.
- First Grade:** They went on a call number scavenger hunt. They looked for and wrote down the yellow cards placed around the room and put them in either Easy, Fiction and Nonfiction sections on their paper.
- Second Grade:** They started learning a little bit about the dictionary. The reasons why we use a dictionary and that it is in alphabetical order.
- Third Grade:** They found a word in the dictionary. They needed to state what part of speech it was, write down the definition of the word and then write a sentence using that word.
- Fourth Grade:** They sorted the two resources, the encyclopedia and the almanac.
- Fifth/Sixth Grade:** They played a game called quiet bingo. This game is the numbers of the Dewey Decimal System.
- Seventh/ Eighth Grade:** They were put in groups and played a game called When Punctuation Takes a Vacation. It is a game for citing, deleting, paraphrasing and signaling. They needed to write a correction of the card that they got.
